

## Cape Independence Party robbed by the IEC, again

[2021 Election Results](#)

Dear Supporter,

In the 2021 Local Government Elections, a total of 19,180 votes were cast for the Cape Independence Party across the Western Cape.

Based on the current results of the General and Provincial Elections held last week on Wednesday 29 May 2024, this would have put the Cape Independence Party comfortably in contention for a parliamentary seat - had the IEC not prevented the party from contesting the elections.

The Cape Independence Party has proven its formidable role in striving towards the Cape Independence cause over 17 years, and with two seats in Municipal Government remains the sole exclusively Cape independence focused party represented in government.

We take this responsibility and honour on behalf of all Cape independence voters and supporters with great importance and pride and we look forward to driving our vision through with even more success as we build towards the 2026 elections.

We commiserate with the unfortunate election results for our partners in the Cape independence space in these 2024 elections, as voters in the Western Cape once again chose the DA over their grandchildren's futures. We look forward in hope that

all of our respective organisations can find a way to be as effective as possible in our goals moving forward.

Thank you to everyone who went out and voted, onwards and upwards.

## **Cape Independence Party-CAPEXIT Thanks All Volunteers and Supporters**

We wish to thank all those who have volunteered getting involved actively with the Cape Independence Party's mission to secure a referendum, those who submitted their signatures as per the new IEC requirements and those who have registered membership, volunteered to stand as candidates, and selflessly made donations.

If you are yet to make your donation, use the SUPPORT US button below. As little as R50 per month from members and supporters who believe in Cape independence, goes a long way towards sharing the financial burden which campaigns and the contesting of elections inevitably brings down upon us.

If you would like to join our organisation and assist with marketing, fundraising, campaigning and other important facets of bringing our vision for an independent Cape to reality, and to fixing the political, social and economic mess we find ourselves in, both in the Cape, and in the defunct state of the other parts of South Africa, please feel free to contact us at [cape@capeparty.com](mailto:cape@capeparty.com)

Please continue taking further action via the other buttons below as well.
