## IEC Election Regulations 2024

Dear Supporter,

We hope that everyone has had a blessed and joyous Christmas, New Years and Festive Season so far. For those who are still enjoying the down time of the end of 2023 and the start to 2024 we hope it is spent with loved ones and rejuvenating for the year ahead.

As described last year, the IEC has put in place new regulations in order to contest the Provincial/National Elections for 2024. This matter is currently in front of the Constitutional Court and we hope that this travesty against democracy and the right for parties to contest elections is overturned, but in light of the unfortunate Constitutional Court ruling from December we must prepare for all eventualities.

The criteria to contest this years elections may require a number of signatures from supporters as high as 15,000, 7,000, or 1,000. So to hit the ground running and ensure that this hurdle is overcome and that Cape independence is fairly and rightfully represented on the 2024 Election ballot, we would greatly appreciate if you, your family and anyone else you know who supports Cape independence could please fill out and sign this quick online form - which won't take longer than 1 minute.

We would like to thank everyone who has already completed their forms.

With your support Cape independence is becoming a reality.  
To our shared success and victory in 2024!
