#VOTECAPEXIT 2024

Have Your Say On The Right To Vote For Cape Independence

Dear Supporter,

Do you believe you have the democratic right to vote in a referendum on whether or not the Western Cape should be independent?

If your answer is YES, the frightening reality is that the IEC is now trying to take away your democratic right to vote for an officially registered political party that will guarantee you that right to vote for a referendum on Cape independence.

If you have not yet given your support for this basic and constitutionally protected right, by signing the IEC support form for the Cape Independence Party to contest the 2024 Elections, then please do so now here:

[HAVE YOUR SAY](#)

Please urgently forward this email to friends, family and anyone you know who also believes in the democratic right to vote for a referendum on Cape independence.

We have until this Thursday, 7 March to get 13,000 support forms to contest on the National ballot, and 7,000 support forms to contest on the Western Cape ballot.

Our deadline to submit these forms to the IEC is this coming Friday, 8 March.

If you believe in Cape independence, or simply democracy, please share!

Thank you!

Cape Independence Party

Benzal House, 8000, Cape Town
