#VOTECAPEXIT 2024

Merry Christmas, Happy New Year

And a Safe and Blessed Festive Season to All!

Dear {{ contact.FIRSTNAME | default : "Supporter" }},

We would like to wish everyone a Merry Christmas, Happy New Year and a safe and blessed Festive Season.

The last few years have been a challenging journey for many, against many odds. But as we bid farewell to 2023, and embrace the opportunities that 2024 will bring, we want to thank all of our members and supporters for their undying faith and dedication to this vision which has weathered many storms, and will continue to weather many more as we forge forward towards this vision of an independent Cape built upon the principles of social, political and economic freedom in the truest sense.

Without your passion and support none of this would be possible. Next year will be an opportunity to take the next step on this journey as we strive towards a shift in the political environment that plagues the sinking ship steered by the ANC, EFF, and all those that bend the knee and accept this corruption, incompetence and destruction.

We deserve better. Our generations to come deserve better.

Please ask your friends and family who are not yet registered to vote next year to please visit the IEC website to register now:

<https://registertovote.elections.org.za/voter-online-registration/overview>

In addition, due to new electoral laws the IEC will ban parties from contesting the elections if they do not submit a certain number of signatures to them (7,000 to 15,000). Close allies are in the process of fighting this in the Constitutional Court, but it appears as if this new restriction will not be able to be lifted in time.

The Constitutional Court ruling should pass early next year, but to pre-empt any eventuality we will need to ensure that this hurdle is overcome in either regard.

Please ask all friends and family who are registered voters to please virtually sign and submit the online form below:

Once again we thank you for your support of this shared beautiful vision of Cape independence.

Together, victory will be ours.
